Draw the process flow graph for the following fork/join program:

```
            P1
            Fork L2
            Fork L3
            P6
            Goto L7
L2:         P2
            Goto L7
L3:         P3
            Fork L4
            P5
            Goto L7
L4:         P4
L7:         Join 4
            P7
```
